COVID-19 PROTOCOL, MAY 2020

As a result of the COVID-19 pandemic, we hereby communicate the following procedures to students and staff relating to the gradual responsible reopening of the NWU Library and Information Service. Moves towards the reopening of libraries globally are increasingly on the agenda as countries look to lift broader restrictions (https://www.ifla.org/covid-19-and-libraries#reopening).

1 Gradual and responsible re-opening of NWU libraries

The following measures will apply to all our libraries across campuses. We wish to advise that the physical libraries will only be open from 08:00 – 17:00 until further notice. However, the virtual library available at http://library.nwu.ac.za will be accessible all the time.

2 LIS environment measures

The following measures will apply to all our libraries across the campuses. Due to the nature of library spaces, restrictive measures are necessary, as safety of users and staff should be a priority.

2.1 Responsible use of physical spaces

- Users are encouraged to use the library facilities responsibly.
- Only a limited number of users will be allowed to use specific areas in the library at any one time.
- Use hand sanitizers as provided when entering our spaces.
- All users should wear face masks.
- Maintain a 2m distance between people.
- Wash hands regularly.
- Service counters will be cordoned off to allow for social distancing.
- Counter areas will be sanitized throughout the day.
- All collaborative rooms will be closed to minimize contact.
- To prevent situations where users may gather, the lounge areas will not be accessible.
- Doors will be open with door stoppers where possible to avoid touching of handles.
- Only every second chair in study areas will be available to maintain distance.
- With regards to Computer rooms/Learning and Research Commons, the following shall apply:
  - Hand sanitising will be compulsory when entering the computer facility.
  - The number of users will be monitored in order to ensure equity of access.
  - To adhere to social distancing protocol, only every second computer will be activated.
  - Sanitising wipes will be available for users to wipe keyboards before use.

2.2 Return or issue of books

- Use the self-check machine where possible to issue your books.
- Card scanners will be on the counter for users to scan users’ cards. This will assist staff to check out books on your behalf.
- Loan periods have been extended automatically and will be reviewed from time to time. At this stage, there is therefore no pressure for users to visit libraries physically. Should you prefer to return your books, please make use of the Drop boxes outside the library.

2.3 Online support

- Use our WhatsApp number: 066 028 7119 or ASK Us to chat with us about your library service needs
- Contact a Faculty or Branch Librarian for any information support: http://library.nwu.ac.za/information-services-and-faculty-librarians
Alternatively, make use of our social media accounts available at: [http://library.nwu.ac.za](http://library.nwu.ac.za) in order to communicate with staff about library support.
