

GENERAL

Submission requirements

Articles finally submitted to the *New Contree* for publication, after approval, must be editorially revised and a submission must be accompanied by a memorandum from a qualified language practitioner. No article will be published without such a memorandum of approval.

Illustrations

Photographs, sketches, tables, diagrams; graphics, maps etc should all be referred to as Images (Eg. Image 1-6). The appropriate positioning of the illustration should be indicated in the text. Original copies should be clearly identified on the back. High quality scanned versions are always welcome.

Authors, PLEASE obtain copyright and reproduction rights on photographs and other illustrations

Copyright on all material in *New Contree* rests within the Editorial Advisory Committee of *New Contree*.
