

How to request a source on the Interlibrary Loans system

Library and Information Service

Interlibrary Loans

Interlibrary Loans (ILL) provides a service to postgraduate students and researchers by obtaining material not owned by the North-West University Libraries.

The Library provides documents to other national and international libraries through an international interlibrary loan network.

Go to the Interlibrary Loans page at:
<https://library.nwu.ac.za/interlibrary-loans>

Request a chapter of a book/article by clicking on your campus and completing the form

- **Mahikeng**: click here to **request** a source
 - Click here to review the **status** of your request
- **Potchefstroom**: click here to **request** a source
 - Click here to review the **status** of your request
- **Vanderbijlpark**: click here to **request** a source
 - Click here to review the **status** of your request

(Please click on your campus to ensure your materials are sent to the correct library or, contact your faculty librarian for assistance)

Select your campus
Currently no hard
copies of books can be
requested

When working off-campus, you will be prompted to verify yourself:

Library Database Verification

User verification for off-campus database access.

These databases are available to registered students/staff of the NWU only.

Copyright Declaration

The Copyright Act of 1978 governs the making of photocopies/reproductions of copyright material. Under the provisions of the Act, libraries are authorised to supply photocopies/reproductions. The provision is that the photocopy/reproduction is not to be used for any other purpose than private/study/personal use. If a user makes a request/photocopy/reproduction for purposes not permitted by the Act, they may be liable for copyright infringement.

By submitting this request you confirm that you have read and agree to the Copyright Compliance terms [Copyright Act of 1978].
