SNAPPLIFY

Join North-West University, South Africa E-learning Platform.

North-West University, South Africa E-learning Platform (with Snapplify) is your gateway to the digital textbooks, resources, and library books you need to ensure academic success.

Getting started is very easy:

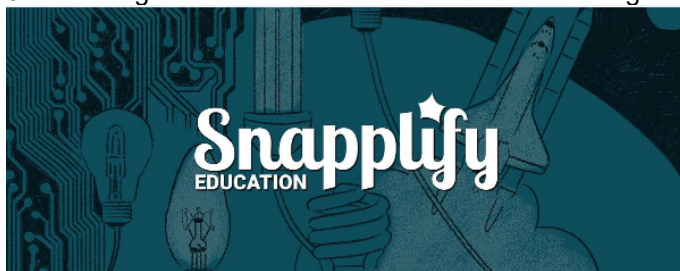

1. Go to <https://nwu.snapplify.com>.
2. Choose sign-in on the top right-hand side of the page.
3. Choose not registered?
4. Sign up using any of the following emails:

Staff: name.surname@nwu.ac.za OR your staff number@nwu.ac.za

Students: your student number@mynwu.ac.za

Only those emails will give access to books purchased by the NWU Library.

5. You will get an email confirmation and the following:

Let's get reading!

With Snapplify's Engage Platform, you have access to everything you need to read. After you've created your account, and selected the books you'll need, the next step is downloading the **Snapplify Reader Application**.

You can do this straight from your institution's Engage portal, or by visiting [GetSnapplify](#).

The Snapplify team is also constantly releasing updates, so that you have a continuous stream of new, awesome features at your fingertips.

Be sure that you've got the most recent version of the Snapplify Reader Application on your device, **by downloading the latest Reader today**.

Download the Snapplify Reader

6. To read your library books, download the Snapplify app from getsnappily.com or your device's app store. You can read on a mobile phone, tablet or desktop computer, as preferred.
7. All purchased Snapplify books are also in the [Library catalogue](#).
